### Acceptance Letter

Dear,

Congratulations, you have met the general eligibility requirements and have been accepted in the Concurrent Enrollment Program – Connect to College (C2C) at Minnesota State College Southeast! Please note some courses may have additional pre-requisites, please talk to your high school counselor for details. We hope this experience will be a successful start to your academic career in higher education.

As a C2C student, your orientation/registration will be completed at the high school. You will attend the class that you are registered for at your high school with your high school instructor. There will be no additional college fees or book requirements.

Concurrent Enrollment means that you will be dual enrolled in the high school course at the same time you are enrolled in the college course. This may mean additional steps may need to be taken to not only follow high school policy and procedure but college policy and procedure. Please be sure to contact your high school counselor if questions arise.

With that being said we want you to finish this class and have a successful start to your college career. Be sure to reference the Student Handbook that will be given to you in your class for information about withdrawal options and Academic Standards. Additional information about Concurrent Enrollment can be found in the enclosed Student/Parent Guide or on our website at [http://www.southeastmn.edu/academic\\_programs/ConnectToCollege.aspx](http://www.southeastmn.edu/academic_programs/ConnectToCollege.aspx). If you have questions or concerns feel free to contact your high school counselor or the college at any time.

Sincerely,

Shannon Schell
